"THE DEVELOPMENT PLAN FOR LOYOLA IS NOW READY . . ."

Very Reverend Father Rector

July 31, 1958

OFFICE OF THE RECTOR

It is a pleasure for me to greet the Loyola College Alumni at this time, and to testify to my reassurance at the progress of the Association. I am very much aware of the fine spirit of co-operation among the members themselves and the devotion they show to their Alma Mater. I trust that the Association will grow still more powerful as the months and years unfold.

This is a point in the sixty-two year old history of Loyola College at which great and significant changes can be expected to occur. There are almost 1,200 students currently registered on our Campus, and, for the first time, the registration in the university courses of our College exceeds that of our High School. Furthermore, we shall be required to find staff and space to accommodate a 100% increase of College students within the next eight years. Our facilities are already strained to the utmost.

The members of the Alumni Association have frequently heard me speak about the needs of the College. The Development Plan for Loyola College is now ready. The Plan involves an extensive building programme over the next eight years.

GALA ALUMNI BALL TO HIGHLIGHT FALL SEASON

President Announces Interesting New Plans

President Fred D. McCaffrey recently announced that the Directors of the Association, at their June meeting, approved a recommendation made by a special committee set up to study the Fall programme, that an Alumni Ball be held which would afford Alumni and their friends an opportunity to meet in a warm atmosphere of happiness and hospitality. Indeed, a function of this type would not be a "first" for the Association since at other times there have been Alumni Dances held, and even a formal ball. However, it will mark the first time in several years that the Association has sponsored a formal evening and it is hoped that it will lend a new freshness to Loyola Alumni activities.

Mr. McCaffrey reported that the Ball would be held on December 5th, 1958, and that the setting for it would be Canada's newest and most widely known showplace, the beautiful Queen Elizabeth Hotel. In addition to the outstanding locale, guests will have the pleasure of dancing to the superb styl-

One of the key elements in the Development Plan is the assistance of our Alumni. Each of you will be expected to take an active part by giving financial aid, and especially in the solicitation of funds from other interested people. Without the support of the Alumni our Development Plan will fail. However, I am confident that we shall have your whole-hearted co-operation. Certainly, Loyola has never needed it more than at this time.

We shall be in touch with you in the near future to seek your advice and support, and to inform you about the details of our plans and hopes for the College you love.

Sincerely yours in Christ,

Gerald F. Leahy, S.J.

Rector.

Pres. Fred D. McCaffrey

ings of Eddie Alexander and His Orchestra and of savoring the excellent cuisine of the new "Queen E."

A committee of enthusiastic workers are already planning and working to make the Alumni Ball truly a night to remember and at every turn their only thought is the pleasure of the guests.

Much more will be written as time goes on concerning decorations, tickets, menus and surprises still in store but, for the present, be sure that you will be among the guests at this important Alumni function.

GOLF TOURNEY SEPTEMBER 9

Also scheduled for the Fall season is the annual Alumni Golf Tournament. This popular event, which has for so many years been held in the spring, has been changed to the Fall in order to add variety to the programme but, more important, to allow the Association the opportunity of securing the best surroundings available for the convenience of the members.

Mr. McCaffrey announced that the tournament will be held on September 9, 1958, at the Country Club of Montreal, conveniently located at Preville just across Victoria Bridge, only ten minutes from downtown Montreal. Tee-off time will be one o'clock and dinner will be served at seven.

Leo Skelly '24 has been named Chairman of the event and he and his Committee promise an excellent day complete with the usual array of prizes.

OYSTER TIME AGAIN

Art Lapres '42 will be Chairman of the 1958 Oyster Party to which so many Alumni regularly come each year. October 10 is the date and all details will be mailed to members in the near future.

NOVEMBER RETREAT

All members are invited to take part in the annual Loyola Alumni Closed Retreat which will be held again this year at the Manresa Retreat House in Beaconsfield. Gerry McGee '51, Chairman of this year's Retreat, announces that it will be held the week-end of November 7 - 8 - 9. Transportation will be provided for those who do not have cars. Everyone is urged to attend this most important spiritual event.

Planning is the process of figuring out how to do the impossible in less time.

SUMMER SCHOOL CONTINUES TO EXPAND

Reverend T. M. Moylan, S.J., Dean of the Extension Department, reports that the second term of the Loyola Summer Session began July 7 with over seventy students enrolled in seven courses. This year the College is offering Sophomore courses as well as the Freshman courses which it introduced last year.

Father Moylan also announced that the Fall Session will commence September 30, 1958. A prospectus may be obtained by writing to: The Dean of the Extension Department, Loyola College, Montreal.

Placement Bureau Service Now Extended To Alumni

Reverend Thomas M. Moylan, S.J., Director of the Loyola Placement Bureau, announced this week that the service of the Bureau would be extended to assist Alumni in finding suitable positions. The Bureau, which was founded by Father Moylan in 1952 has, in the six years of its existence, evolved from a mere idea to an active and flourishing department of the College which has helped hundreds of senior students find employment in large nationwide corporations.

Besides his work in behalf of finding permanent employment for Loyola students, Father Moylan has been successful in finding many openings for summer employment which enables students to pay a large part of their tuition and college expenses. It is interesting to note that firms which had to be contacted six years ago and convinced that a visit to Loyola might prove profitable to them personnel wise, are today calling Father Moylan to make sure that they will be included among the companies which will have a day at Loyola for interviewing students.

A Plea For Help

"But", says Father Moylan, "our work in developing the Placement Bureau is by no means over. We are constantly trying to expand our field of contacts and I feel that many of our Alumni are in a position to know or hear about jobs which are open." If our members hear about these openings or are working presently in the field of personnel, Father Moylan would be very interested in talking to you and you, in turn, would help, in a very substantial way, a fellow Loyolan.

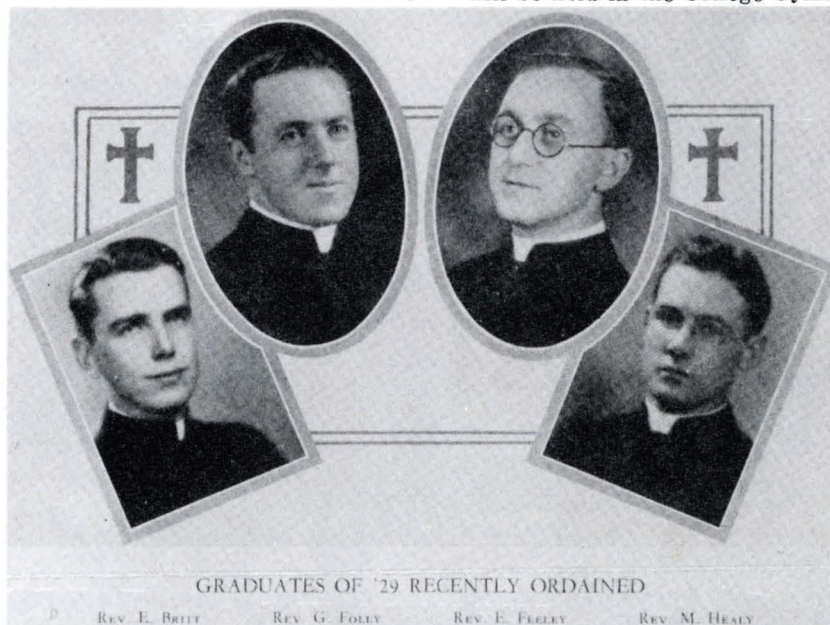

Father Moylan was very pleased that he could now offer some assistance to Alumni. He said that from time to time he hears of opportunities which are open to men with some experience and he would like to have a file on anyone who might be interested in changing jobs. It is, of course, impossible to telephone every alumnus anytime a vacancy occurs but a number of interested people could easily be contacted. Anyone who wishes to either assist or be assisted by the Placement Bureau should contact Father Moylan at the College.

President's Tea To Honor Subscribing Members

President Fred D. McCaffrey and Mrs. McCaffrey will be hosts at the President's Tea which will be held on Sunday afternoon, September 7, 1958, from three to five o'clock. An innovation to Loyola Alumni activities, the President's Tea will be held on the grounds of the College and is designed to honor those members who have supported the Association through their contributions to the Alumni Fund for Loyola.

Some five hundred invitations will be sent to members whose names appear on the 1957 Honor Roll of Contributors and it is hoped that they and their wives or escorts will plan to be the guests of Mr. & Mrs. McCaffrey at the first of what is hoped to become an annual event.

The Tea will be held in the College Quadrangle and will afford guests an opportunity of mingling with members of the Faculty and of visiting the various departments of the College which many may not have seen for some years. Should the weatherman fail to cooperate with the Association, the Tea will be held in the College Gymnasium.

FOUR ALUMNI CELEBRATE SILVER JUBILEE OF ORDINATION

Pictured above are four Montreal Priests who were newly ordained in 1933. This year the four, Father Michael Healy, Pastor of St. Rita's Parish, Father Gerald Britt, Pastor of St. Dominic's Parish, Father George Foley, Pastor of St. Kevin's Parish and Father Edgar Feeley, Pastor of St. Thomas Aquinas Parish, all enjoyed special celebrations marking their twenty-fifth anniversary of their ordination. They also graduated together from Loyola College in 1929. Pictured below are their most recent photographs.

MISS M. DENNIS JOINS ALUMNI STAFF

On May 12th, 1958, the Alumni Office was brightened by the arrival of Miss Marion Dennis. Formerly with the Shell Oil Company, Miss Dennis brings to the office a great knowledge of modern office procedure and practice. Besides her secretarial duties, Miss Dennis is engaged in maintaining an accurate master alumni file and it is her hope that members will keep her informed of their whereabouts as well as the whereabouts of other alumni they meet in their travels.

To Miss Dennis we offer a warm formal welcome and the hope that she may spend many happy years at Loyola.

TWO ALUMNI AMONG NEWLY ORDAINED PRIESTS

The Loyola Alumni Association expresses the sincerest congratulations of its Officers and Members to the ten Jesuits and two Montreal Diocesan priests who were recently ordained and especially to Father Howard A. Logan, S.J., and Father Remi J. Limoges, S.J., both Alumni of the College.

Toronto News

1958 has been an extremely active year for Loyola Alumni in the Toronto area. Regular monthly dinner meetings were held by the group at the Walker House, a hotel well known to any Torontonians. In February, DON TOBIN '36 and HAROLD QUINN '29 were elected Co-Chairmen of the Club and were charged with the responsibility of organizing a plan of action for the group.

March brought a dinner meeting chaired by WALTER ELLIOTT '31 at which entertainment was provided by the Canadian Chordsmen. HOWARD EGLI '41 was in charge of the April dinner meeting and on April 20th, a father and son Communion Breakfast was held under the direction of BERNIE WICKHAM '42. KEITH RUSSELL '42, the group's secretary, reported that "25 haloes were re-polished" at the Communion Breakfast and that a talk had been given by Father Ed. Sheridan '32, Rector of the Seminary in Toronto.

For the May meeting TOM CONNOLLY '51 was Chairman and the Guest Speaker was Dr. John Armstrong, who gave a talk on Alcoholism. This was followed in June by a meeting chaired by BASIL JOHNSTON '54, who invited Mr. Jasper Hill, known among his own people as Big White Owl. Mr. Hill gave an enlightening talk on "Indian Legends".

The first meeting of the Toronto group for the Fall season will be held on September 9th and any Loyolan visiting Toronto at that time is cordially invited to drop in at the Walker House at 6:30 p.m. where he will be received like a long lost brother.

ALUMNI FUND NOW STANDS AT 53%

In its second year of operation the Alumni Fund for Loyola now has reached 53% of its 1958 objective of \$8,000. With five months remaining in the year, a concerted effort must be made to encourage Loyola Alumni everywhere contributed to lend their support to this important phase of Alumni work.

To date, about 325 members have contributed to the Fund making an average of slightly over thirteen dollars. Contributions again have ranged from one dollar to one hundred dollars and all amounts are entirely confidential.

The Directors wish to stress the importance of the members' support. The FACT that a member gives to Loyola and not the AMOUNT is what counts. Loyola must be able to count on a strong corps of supporters when she embarks on her extensive plan of development. What better way can you show your confidence in your Alma Mater than by making a contribution — large or small — to the Alumni Fund for Loyola?

LOYOLA LORE GOLDEN ANNIVERSARY CELEBRATED BY TWO LOYOLA GRADUATES

The year 1908 saw the addition of seven names to list of Loyola Graduates which at that time totaled thirty. In that year the degree of Bachelor of Arts was conferred upon M. Augustine Downes, Walter A. J. Merrill, Joseph C. B. Walsh, Michael T. Burke, T. Sargent Owens and Vincent J. McElderry. The degree of Bachelor of Science was conferred upon Leo T. Lyunch.

This year, at the College's sixty-second convocation, held in the College Auditorium on May 31st, Very Reverend Father Rector paid special tribute to the four living jubilarians, two of whom, Mr. Downes and Mr. Burke, graced our stage. Messrs. Walsh and Lynch were unable to be present. To all these men, who earned the title of "Loyola Alumnus" so many years ago, go the warmest best wishes of their fellow Alumni of all ages for many more years of good health and happiness.

LOYOLA JOINS AAC

In one of the most progressive steps in its history, the Loyola Alumni Association recently made application for membership in the American Alumni Council. In due course, the Council, which has headquarters in Washington, D.C., advised that we had been elected to membership.

The American Alumni Council is an educational Association specializing in services in the field of Alumni Relations and educational fund raising. Its major aim and purpose is "to mobilize behind education the full strength of organized alumni support in all its spiritual, moral and practical manifestations. Membership in the Council is open to universities and colleges whose purposes and activities contribute to the advancement of higher education. As of December 1, 1957, there were 854 institutions enrolled in membership in the Council, represented by nearly 1700 men and women.

At the General Conference held in Washington in 1953, the Council celebrated its fortieth anniversary. Last month, at Lake Placid, N.Y., it held its forty-third General Conference at which over 1000 delegates from Colleges and Universities throughout the U.S.A., Canada, Mexico and Hawaii gathered together to hear and discuss problems common to alumni administrators everywhere. Delegate from Loyola Alumni was Kenneth F. Cassidy, Executive Secretary of the Association.

Prior to the AAC convention Mr. Cassidy attended the National Conference of Jesuit Alumni Administrators which was also attended by Very Reverend Gerald F. Lahey, S.J., Rector and by Reverend C. N. Rushman S.J. Executive Assistant to the Rector. Here the delegates had the opportunity of meeting formally and informally with alumni administrators from Jesuit Colleges throughout the United States, including the long list of Loyolas. Loyola, Montreal, was the only Canadian Jesuit College represented.
